Public Utility Commission**

MEMORANDUM

To: Parties in Case No. 21-4085-INV
From: Holly Anderson, Clerk of the Commission *HRA*
Re: Technical Correction
Date: September 6, 2022

On June 28, 2022, the Vermont Public Utility Commission issued an Order announcing the 2022 Standard Offer Award Group. Page 2 of the Order included a chart listing the award group and the bid price of several small wind facilities. The chart incorrectly listed the bid price of five wind facilities as \$0.254/kWh instead of \$0.258. The chart should instead read as follows:

price competitive proposals (the “Price-Competitive Developer Block”). Thirteen proposals were submitted in the Price Competitive Developer Block, all for solar facilities. Nine proposals were submitted in the Technology Diversity Developer Block, consisting of small and large wind facilities, a biomass facility, and a new hydroelectric facility. The Facilitator recommended that ten projects be awarded contracts and that eight projects be placed in the Reserve Group, as shown in Table 1, below.
